Since 1972, diverse families of adopted children have been meeting at Camp Sloane, a YMCA facility, for a very unique and memorable experience. One weekend each year, we gather together for a special event. The camp offers a lake for fishing and boating, tennis, basketball, baseball and field games led by camp counselors. Take a nature walk or a dip in the olympic size swimming pool. Participate in arts and crafts, campfires, a talent show, songs and more. Indoor activities are planned in the recreation hall should there be inclement weather. This is an opportunity for parents and children to connect and share good food, good fun and good times!!!
